If you purchased a tablet, electronic reading device, connected device or television, this is a protection plan against **mechanical** and **electrical** failure as well as certain damages to your tablet, electronic reading device, connected device or television.

This Protection Plan does not replace your manufacturer’s warranty. It provides certain additional benefits during the term of your manufacturer’s warranty. Sections “What are the limits of the coverage” and “What is not covered” of this summary contains the details of the limitations of this Protection Plan.

Under this Protection Plan, Allstate will, in Allstate’s discretion, either:

HOW TO CHOOSE

To choose the insurance product that's right for you, we recommend that you read the summary that describes the insurance product and that must be provided to you.
